

To whom it may concern:

My name is Mo Mahoney, and I am the writing this letter or recommendation for Maurice Allen. I was lucky enough to work with Maurice at Freedom High School. As a head coach, I wanted to get some people who were strong in both coaching but also the classroom. Coach Allen was great in the classroom and went above and beyond in a roll that was in need on our campus. As an offensive mind he is one of the best coaches I have worked with. I was very grateful to have bring him on staff and work with him in rebuilding a program that was in desperate need. With his help we were able to help Freedom win more games than we had in the previous two seasons combined. As he transitioned to Georgia and I moved to a school closer to my family over the years, he is still one of the best coaches I know and someone that I follow and look to for advice. I once prompted a question about quarterback play, which he then shared a lot of great information with me to help. His heart for others and knowledge of the game is part of what makes him such a great teacher/coach. When he does not know an answer, he will reach out to those who do and continue to grow and develop. The hunger he demonstrates is infectious and he constantly sets a high bar for those around him to strive for. If you need anything or have any questions, please reach out so I can tell you why Coach Allen is the right man for the roll he is pursuing with you.

Thankful,

Mo Mahoney
